

I, Alric Smith hereby swear under Oath that I can help Robert Cotner prove every claim raised in the case this is attached to, Me myself have family here in Okla. and in Corpus Christi, and all along the Gulf Coast Mexican drug cartel and I know that the cartel makes weekly runs of ship mints to Okla. to be stored & shipped to other states including strict to Minnesota when possible that they then trade for guns & children which is sold to Okla. law enforcement the guns go back to Mexico local police, ASBT & state police are involved, The man I killed worked for them the same cops I saw ring warn little Sr. drugs are the same ones that arrested me made me plead guilty also. They threatened ~~me~~ by saying they would go after my family & burned my house down not even 4 days after I was locked up. And now that I'm in here I know that they also said they gave I/legals Okla. I.D. so they could access military bases, and "scout out for children & easy targets as they could trade fake I.D. for real ones in other states I had no choice but to kill the man I did or he would have killed me now at this prison I'm at the unit manager Kasil found out that I was the one that knew that his son warehouses drugs for the same cartel which Kasil rapes young prisoners & has other inmates sell drugs for him. Kasil has made passes at me when I turned him down he made my life a living hell in here. I have to make sure my family stay Verification

I Alric Smith #444521 verifies the above is True.
